What should be on a custom-mixed feed label per Title 25 NAC Chapter 3, Nebraska Commercial Feed Regulation?

- ** Name and address of the manufacturer of the custom-mixed feed;
- **Date of manufacture;
- **Name and address of the purchase;
- **The product name and net weight of each commercial feed and each feed ingredient used in the mixture;
- **Adequate feeding directions.

If the custom-mixed feed is medicated, the following information must also be supplied;

- **The purpose for which the medication is used (claim statement);
- **The name and potency of each drug used in the feed;
- **The name and level of each drug in the finished feed;
- **All appropriate precautions, warnings, and withdrawal statements.

The above information must appear on all custom-mixed feed labels and a copy must be furnished to the customer with each load. A duplicate copy must be maintained at the feed mill for sampling and inspection purposes.

Customer-formula feed, will be accompanied by a label, invoice, delivery slip or other shipping documents.

The Nebraska Commercial Feed Act section 54-849 defines customer-formula feed as commercial feed which consists of a mixture of commercial feeds or feed ingredients manufactured according to the specific instructions of the final purchaser.
