Are these animals imported from Canada or Mexico:
Yes No If Yes, specify: _____

- Nebraska State Patrol will be reaching out to Nebraska Department of Agriculture Regional State Veterinarians to assist in assessing needs and coordinating resources.
- Carriers, dispatchers, haulers and owners should be aware that preferred locations for escort beyond a 30 minute time frame are unlikely to be viable options.
- It is understood that from any designated location the livestock owner, carrier, or hauler is responsible for coordinating proper transport to a final destination and financially responsible for this cost as well.
