

# WEEDS OF THE GREAT PLAINS

## Inventory Clearance – HUGE Savings on *Weeds of the Great Plains*

*Weeds of the Great Plains* is a collaborative effort between the University of Nebraska and the Nebraska Department of Agriculture.

*Weeds of the Great Plains* is a hardbound book featuring:

- Detailed narratives of over 400 plants;
- Line drawings of 266 weeds;
- Large colored photographs;
- Close up photographs of weed flowers, seedlings, and key identification characteristics;
- Identification methods to distinguish similar species;
- Historical attributes and uses of each plant; and
- Plant habitats and descriptions of growth forms.

The intent of this important weed identification book is to meet the needs of farmers, ranchers, and homeowners, as well as the more technical expectations of botanists to accurately identify weeds and common plants in the Great Plains.

The price of this book has been reduced to \$12.50 per copy, which includes postage. Individuals wishing to purchase the book at the Nebraska Department of Agriculture's office in Lincoln may do so for a cost of \$10.00. We're selling this book at a discount to make room for an updated version, which will be available in 2020. Order this book by submitting this order form or [click here to order online](#).
