

CITY OF BLAIR

October 6, 2023

Nebraska Department of Agriculture

To Whom It May Concern,

This is written confirmation that the City of Blair, Nebraska does not regulate the operation of mobile food establishments regarding a permit. We also do not have any specific ordinances that deal with the operation of mobile food establishments.

We do have food trucks in our community. They are only regulated by zoning regarding where they can set up for business. They can operate in the city's zoning districts CCB (Central Business District) or A/CH (General Agriculture/Highway Commercial), which are the zoning districts that allow for restaurants in Blair. We treat them like any other restaurant from a zoning standpoint only.

Feel free to contact me if you need anything additional from the City of Blair to comply with the Nebraska Pure Food Act. Thank you.

Sincerely,

Brenda Wheeler

City Clerk
