To Whom It May Concern,

The City of Fullerton does not currently have any regulations regarding Mobile Food Establishments. We do not currently have any forms that must be filled out or any ordinances they must follow.

This is something we have been and will continue to monitor closely as this trend continues, but as it currently is we do not feel there is a need for our community to adopt any regulations regrading Mobile Food Establishments.

Respectfully,

A handwritten signature in black ink, appearing to read "Allen Chlopek". The signature is written in a cursive, flowing style.

Allen Chlopek  
City Administrator
