

**NEBRASKA SENIOR FARMERS MARKET NUTRITION PROGRAM**

**AGREEMENT**

**BETWEEN**

**THE NEBRASKA DEPARTMENT OF AGRICULTURE**

**AND**

**A NEBRASKA PRODUCE FARMER (OR A PRODUCE FARMER RESIDING IN ANY ONE OF THE BORDER COUNTIES ADJACENT TO NEBRASKA'S STATE LINES)**

The Senior Farmers Market Nutrition Program (SFMNP) is a congressionally authorized program that is administered by the Nebraska Department of Agriculture (NDA) and the Nebraska Department of Health and Human Services (DHHS). It is jointly funded by the State of Nebraska and the U.S. Department of Agriculture (USDA), Food and Nutrition Service (FNS). The program serves the purpose of providing fresh, nutritious, unprepared, locally grown foods for human consumption to nutritionally at risk, low-income seniors stimulating the demand for produce sold at NDA certified produce stands.

This Agreement, between NDA and you (the produce farmer) sets forth the terms and conditions of the 2025 SFMNP. Participation in an interactive training session and signature on this written Agreement automatically enrolls you to participate in the program. This Agreement is valid for three (3) years and will expire at the end of the 2027 program year. Neither you nor NDA has an obligation to renew this Agreement and either party may terminate it for cause after providing advance written notification to the other party. If there are any changes to the program over the course of the three-year certification period, they will be reflected in the *SFMNP Handbook*, which are sent to certified farmers every year. After 2027, you will need to attend another training session and enter into another Agreement with NDA to recertify.

As a certified farmer, you are guaranteed payment so long as you comply with program rules. You are held accountable for understanding all procedures and rules of the SFMNP program and are responsible for training all other persons who will be acting on their behalf at their farm stand(s). When handling SFMNP coupon transactions, you must follow certain federal and state regulations. Failure to comply with these rules will result in non-payment, suspension, and/or disqualification from the program. Compliance with the following rules is required by all Nebraska SFMNP certified farmers.

- **Eligible Food Choices.** Only fresh, nutritious, unprepared, locally grown fruits, vegetables, herbs and honey are for human consumption and may be purchased with SFMNP coupons. Eligible foods may not be processed or prepared beyond their natural state, except for the usual harvesting and cleaning processes. The term "locally grown" means product grown either in Nebraska or in a county adjacent to Nebraska's border. There are no exceptions. As a certified SFMNP farmer, you must provide eligible foods at the current price or less than the current price charged to other customers. For a complete list of eligible foods, refer to the attachment entitled, "Eligible Food List."

- **Ineligible Food Choices.** Prohibited purchases with SFMNP coupons include, but may not be limited to:
  1. Grocery store purchases;
  2. Non-locally grown, fresh fruits, vegetables, herbs, and/or honey;
  3. Whipped, sugared, creamed, dried, flavored, fruited, pasteurized, or herbally-infused honey;
  4. Processed fruit or vegetable products, such as jams and jellies, popcorn, juices and ciders, and baked goods of any kind, including fruit pies and breads; and
  5. A partial list of other ineligible items, include dried fruits or vegetables, prunes (dried plums), raisins (dried grapes), sun-dried tomatoes, and dried chili peppers; potted fruit or vegetable plants; potted or dried herbs; wild rice; nuts of any kind (even raw); maple syrup; cider; seeds; eggs; meat; cheese; and seafood.
  
- **Valid SFMNP Coupons.** SFMNP coupons may only be accepted for the purchase of eligible foods. SFMNP participants or their authorized representatives (or proxies) may purchase eligible items with their coupons.
  
- **Void Dates.** As a certified farmer, you must adhere to the following dates:
  1. SFMNP coupons can be accepted from SFMNP participants or their authorized representatives (proxies) on or before the last valid date (October 31) of each program year. Coupons cannot be accepted after this time. Coupons from previous years are invalid and cannot be used in exchange for produce.
  2. As a certified farmer, you must deposit all SFMNP coupons accepted during that program season on or prior to November 30 in order to receive coupon redemption money.
  
- **Certified Farmer Identification.** While participating in the SFMNP, you are responsible for visibly posting your SFMNP certified farmer ID stall sign for the current program year. This sign is used to identify you as a farmer who accepts SFMNP coupons. Signs are available via the Nebraska Farmers Market Online Database. If your ID stall sign is lost or severely damaged, access your vendor profile on the database to print an additional sign.
  
- **Storing SFMNP Coupons.** You will be responsible for safely storing any coupons in a secure location. A locked box or cash register is needed in order to meet this requirement.
  
- **Cancelling SFMNP Coupons and Payment.** You are also responsible for cancelling SFMNP coupons. There are two options for cancelling the coupons. The first option is rubber stamping or handwriting your farmer identification number on the coupon. Rubber stamps are available from NDA. With this option, your farmer identification number must legibly appear on the face of the coupon. You may deposit SFMNP coupons at any financial institution (bank, savings and loan, or credit union) by

appropriately endorsing each coupon. A coupon presented for payment in which the \$3 amount payable has been altered will not be honored by the program's bank. If deposited at a local bank, each transacted SFMNP coupon must contain your farmer identification number and shall be batched for reimbursement under that identifier. ID numbers are required under this option in order for the coupons to be valid and available for redemption. A coupon will be void and not paid if your valid vendor certification ID number is not appropriately entered on the face of the coupon, unreadable, or missing. The coupon will also be void and not paid if it is not endorsed or is deposited after November 30 of the current program year.

A coupon may be resubmitted for payment in the event your farmer identification error can be properly and legally corrected by you. NDA may deny payment for improperly redeemed SFMNP coupons and may demand refunds for payments already made on improperly redeemed coupons.

However, if you choose not to stamp or handwrite your valid vendor identification number on the face of the coupons, you can choose the second option by using a smart phone to scan the QR code on each coupon. Once the phone has determined you are authorized to accept coupons and the coupon is valid, the phone will scan the QR code and the funds from the coupon are automatically deposited into your bank account. Any coupons that have been altered, are outside of the valid coupon dates, or deposited by un-authorized farmers will automatically be rejected and not redeemable. As a certified farmer, you will be provided a one-time free service to upload your banking information into the contractor's app.

This electronic option allows certified farmers to download and register the contractor's mobile app and simply perform a remote deposit capture with their smart phone. The images of the scanned items are uploaded directly to the contractor's servers for processing and disbursement to the farmer via ACH payments. This method offers a bridge from paper to electronic processing, allowing the State of Nebraska to move to an electronic redemption model, while ensuring that farmers and participants who are not yet ready to move are still supported and able to participate in the program. The contractor's electronic system is a closed eco-system by calculating how much money is due to each farmer, then disperses funds directly to the farmers via ACH, eliminating the majority of banking fees encountered with standard check processing.

- **No Cash, Change, Credits, or Refunds.** SFMNP coupons may never be exchanged for cash. Change or credit may never be given to a customer using SFMNP coupons. SFMNP participants may only receive fresh, nutritious, unprepared, locally grown fruits, vegetables, herbs, and honey for human consumption in exchange for SFMNP coupons. Credit or refunds may not be issued on items returned that were purchased with SFMNP coupons. You are prohibited from cashing SFMNP coupons accepted by non-certified farmers.
- **Nondiscrimination.** As a certified farmer participating in the program, you may not refuse to accept properly presented SFMNP coupons in exchange for fresh, nutritious, unprepared, locally grown fruits, vegetables, herbs and honey for human consumption. You must agree to establish and maintain nondiscriminatory sales transaction procedures including, but not limited to:

1. Acceptance of SFMNP coupons in the same manner as required of all customers using SFMNP coupons;
2. Providing equitable treatment to SFMNP participants;
3. Providing eligible foods to SFMNP participants that will be of the same quality and cost as that sold to other customers;
4. Charging SFMNP participants or their designated proxy a price for an item that is not greater than that charged to non-participants;
5. Will not charge participants for item(s) not received;
6. Offering SFMNP participant(s) the same courtesies and providing equal treatment to them as you would to other customers; and
7. Accepting properly presented SFMNP coupon(s) in exchange for fresh, nutritious, unprepared, locally grown fruits, vegetables, herbs, and honey for human consumption.

- **Program Violations.** If you do not comply with program rules, you will receive written notification from NDA. Noncompliance with SFMNP rules and regulations will result in a violation. The level of sanction you receive will depend upon the severity of the violation. Failure to adhere to program regulations may result in non-payment, suspension, or even disqualification from the program. Below is a chart showing some of the violations of the program and the sanctions imposed as a result.

<ul style="list-style-type: none"> <li>• Commit fraud or engage in other illegal activity.</li> </ul>	<p>Disqualification without reinstatement and liable to prosecution under applicable federal, state, or local laws.</p>

- **Suspensions.** If you are suspended as a certified farmer, the suspension period will become effective from the date of receipt of certified mail notification. During the suspension time, your certified SFMNP farmer identification number will become temporarily disabled, preventing you from redeeming SFMNP coupons. During the suspension period, you must refrain from participation in the program.

The suspension penalty will be in effect for a maximum of thirty (30) days, during which time you may appeal your suspension notice. If no appeal is made, you will be automatically disqualified at the conclusion of the suspension period. If the incident leading to the suspension is successfully challenged by you, the suspension will be immediately lifted.

- **Disqualification.** Disqualification will follow the suspension period. If you are a disqualified farmer, you may not continue participation the program. In the event you are disqualified, your certified farmer identification number will become permanently disabled, preventing you from redeeming SFMNP coupons.

If you wish to continue your participation in the program, you must attend a training session hosted by NDA the following year. This will allow you to re-enroll in the program, as a certified farmer. If you are recertified, you will be on probationary status for one full season. As a result, you will receive either an overt or covert on-site monitoring investigation during the year to ensure you are complying with rules and regulations.

- **Appeals.** If you wish to appeal a decision, which resulted in a suspension or disqualification, you may make a written request for administrative appeal to NDA. You may also appeal the denial to participate in the SFMNP and any action imposing a sanction. However, you must make this appeal within thirty (30) days of the date of receipt of certified mail notification.

NDA will set a date for the hearing fifteen (15) days after the appeal. Hearings will be conducted by telephone or in person in Lincoln, Nebraska, at a suitable location, as determined by NDA. If you are requesting a hearing, you will receive written notice of the time and the place of the hearing at least thirty (30) days prior to the date of the hearing. You, the appellant, will have one opportunity to reschedule the hearing date.

You will also be given an opportunity to examine, prior to and during the decision, the documents and records that support the decision under appeal.

At a minimum, you, or your representative, will have the opportunity to:

1. Present your case;
2. Question or disprove any testimony or evidence, including an opportunity to confront and cross-examine adverse witnesses;
3. Be represented by counsel;
4. Bring witnesses;
5. Review the case record prior to the hearing;
6. Submit evidence to establish all pertinent facts and circumstances in the case; and
7. Advance arguments without undue interference.

An adverse action may, at NDA's option, be postponed until a decision in the appeal is rendered. In a case where an adverse action affects you (the farmer), a postponement is appropriate where NDA finds that participants would be unduly inconvenienced by the adverse action. In addition, NDA may determine other relevant criteria to be considered in deciding whether or not to postpone an adverse action.

The NDA hearing procedure shall provide you with written notification of the adverse action, the cause(s) for the action, and the effective date of the action, including NDA's determination of whether the action shall be postponed under Section 249.16 (c) of SFMNP, if it is appealed, and the opportunity for a fair hearing. Such notification will be provided fifteen (15) days before the effective date of the action.

The hearing official will be an impartial decision maker. The decision of the hearing official is given, in writing, to you within fifteen (15) days of the date of the hearing, or within sixty (60) days from the date of receipt of the request for a hearing by NDA.

All records of the hearing and the decision are available for public inspection for a period of three (3) years. If dissatisfied with the hearing decision, you may appeal to the State Director of Agriculture for further State level review of the decision and a possible rehearing. This appeal must be made within fifteen (15) days of the contested decision of the previous hearing. The same procedures as outlined above are followed.

The State of Nebraska shall follow the Administrative Procedure Act, Neb. Rev. Stat. §§84-901 through 84-920, to allow for due process to local agencies, certified farmers, and participants.

Expiration of this Agreement with you (the farmer) and claims actions under SFMNP rules and regulations are not appealable.

If you appeal an adverse action (and are permitted to continue in the SFMNP, while your appeal is pending), you will continue to be responsible for compliance with the terms of this written Agreement.

You, the produce farmer, are required, and hereby agree, to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the state of Nebraska.
