FOR COMMUNITIES, AGRICULTURE & FAMILIES

Nebraska Rural Response Hotline

Provides free, confidential support—including financial, legal, disaster relief, and mental health resources—for Nebraska farmers, ranchers, and rural residents experiencing crisis.

Website: <https://farmhotline.com/>

Phone: 1-800-464-0258

Nebraska Extension – Rural Wellness / Stress & Mental Health

Offers resources, tools, and education to support stress management, mental health, and resilience among Nebraska farmers, ranchers, and rural communities.

Website: <https://ruralwellness.unl.edu/>

Phone: 308-696-6700

Nebraska Cattlemen – Wildfire Resources

Provides wildfire recovery information, mental health resources, and support tools tailored for Nebraska's ranching and agricultural communities.

Website: <https://www.nebrascacattlemen.org/wildfire-resources?#Mentalhealth>

AgriSafe Network – Farm Response Training

Provides training and resources to help agricultural communities prepare for and respond to emergencies, with a focus on health and safety.

Website: <https://www.agrisafe.org/courses/farm-response/>

UNL Center for Agricultural Profitability

Provides research-based resources, tools, and guidance to support informed decision-making and financial resilience for Nebraska farmers, ranchers, and agricultural communities.

Website: <https://cap.unl.edu/>

Nebraska Disaster Behavioral Health – Psychological First Aid (PFA)

Provides Nebraska-based disaster behavioral health resources, including Psychological First Aid training, response tools, and recovery materials for individuals, communities, and responders.

Website: <https://www.disastermh.nebraska.edu/>

Nebraska Family Helpline (DHHS)

Provides 24/7 support, guidance, and referrals for parents, caregivers, and families navigating behavioral health and family challenges.

Website: <https://dhhs.ne.gov/Pages/Nebraska-Family-Helpline.aspx>

Phone: 1-888-866-8660

Nebraska DHHS Network of Care Portal

Provides a searchable directory of behavioral health services, resources, and support programs across Nebraska for individuals, families, and providers.

Website: <https://portal.networkofcare.org/NebraskaBehavioralHealth>

SAMHSA Disaster Distress & Coping Resources

Provides national resources, tools, and guidance to support behavioral health, resilience, and recovery for individuals and communities affected by disasters.

Website: <https://www.samhsa.gov/technical-assistance/dtac/resources>

American Red Cross – Disaster Training

Offers online and in-person disaster preparedness and response trainings, equipping volunteers, responders, and community members with skills to support individuals and communities during emergencies.

Website: <https://www.redcross.org/take-a-class/disaster-training>

LOCAL AND REGIONAL SUPPORT

Region 2 Behavioral Health Services

Provides behavioral health services, crisis support, and substance use treatment for individuals and families in central and western Nebraska.

Phone: 308-534-0440

Western Community Health Resources

Provides mental health, substance use, and community support services for individuals and families in western Nebraska.

Phone: 308-432-8979

West Central District Health Department

Provides public health services, emergency response information, and community resources to support health and safety during disasters.

Phone: 308-696-1201

Local Community Supports

Local churches, schools, and community organizations may offer immediate assistance, shelter, supplies, and emotional support during disaster response and recovery. Faith-based supports can be found through directories such as FaithStreet (faithstreet.com) or through local community connections.

FOR PROVIDERS

Nebraska Disaster Behavioral Health (UNL Public Policy Center / UNMC)

Provides training, tools, and response resources, including Psychological First Aid (PFA), to support behavioral health professionals, responders, and communities across Nebraska before, during, and after disasters.

Website: <https://www.disastermh.nebraska.edu/>

Nebraska DHHS Behavioral Health Training

Offers online trainings on trauma-informed care, crisis response, suicide prevention, and core behavioral health topics for Nebraska providers and community partners.

Website: <https://dhhs-dbhtraining.unl.edu/>

Nebraska Critical Incident Stress Management (CISM)

Provides peer support, debriefing services, and training to help first responders and emergency personnel manage stress and trauma following critical incidents.

Website: <https://dhhs.ne.gov/Pages/EHS-Critical-Incident-Stress-Management.aspx>

AgriSafe Network – Mental Health Resources

Provides training, tools, and resources to help providers support mental health and reduce stigma among farmers, ranchers, and agricultural communities.

Website: <https://www.agrisafe.org/healthcare/mental-health/>

BHECN Disaster Response Webinar Series

Offers a collection of recorded webinars providing practical guidance on disaster behavioral health response for providers, responders, and community partners.

Website: <https://vimeo.com/channels/1456048>

SAMHSA Disaster Preparedness, Response, and Recovery

Provides guidance, tools, and resources to support behavioral health preparedness, response, and recovery for providers and communities impacted by disasters.

Website: <https://www.samhsa.gov/mental-health/disaster-preparedness>

FOR YOUTH

Nebraska Family Helpline (DHHS)

Provides 24/7 support, guidance, and referrals for parents and caregivers.

Website: <https://dhhs.ne.gov/Pages/Nebraska-Family-Helpline.aspx>

Phone: 1-888-866-8660

UNL Fit & Healthy Kids – Wildfire Resources

Provides practical guidance, activities, and tips to help children and families stay safe, cope, and maintain well-being during wildfire events.

Website: <https://fitandhealthykids.unl.edu/wildfire/>

SAMHSA – Children & Disaster Resources

Provides evidence-based tools, tip sheets, and guidance to help caregivers, educators, and professionals support children's mental health before, during, and after disasters, including resources such as *Tips for Talking with Children & Youth After a Disaster* and *How to Support a Child Through Grief*.

Website: <https://www.samhsa.gov/technical-assistance/dtac/disaster-survivors/children>

National Child Traumatic Stress Network (NCTSN)

Provides evidence-based resources, toolkits, and guidance to help children, families, and providers respond to trauma and disasters.

Website: <https://www.nctsn.org/what-is-child-trauma/trauma-types/disasters>

BHECN Disaster Response Webinar Series (Youth-Focused Content)

Provides a curated set of webinars focused on supporting children and youth during and after disasters for providers, educators, and caregivers.

Website: <https://vimeo.com/channels/1456048>

STATE AND NATIONAL DISASTER GUIDANCE

Nebraska Emergency Management Agency (NEMA)

Coordinates statewide emergency preparedness, response, and recovery efforts, including disaster updates and resources for affected communities.

Website: <https://nema.nebraska.gov/>

SAMHSA Disaster Technical Assistance Center (DTAC)

Provides national toolkits, training, and guidance to support behavioral health preparedness, response, and recovery for individuals, families, and communities affected by disasters.

Website: <https://www.samhsa.gov/technical-assistance/dtac/resources>

ASPR Behavioral Health Resources (HHS)

Provides federal guidance, tools, and resources to support mental health, substance use, and stress management before, during, and after disasters for healthcare providers, responders, and community leaders.

Website: <https://aspr.hhs.gov/behavioral-health/Pages/default.aspx>

CDC – Wildfire Health & Safety

Provides guidance on protecting physical health during wildfires, including air quality, smoke exposure, and safety precautions.

Website: <https://www.cdc.gov/wildfires/about/>
