

Instructions for Nebraska Department of Agriculture Veterinarian use of electronic Certificate of Veterinary Inspection

Supported Devices: iPad, iPhone, Android devices, and Windows 10 devices

if you are a newly accredited Veterinarian, contact our office for set up at 402-471-6865

Initial Configuration Step #1:

Web Based: <https://nda.micorp.io/smartforms/?customer=NDA>

App: Search and download the free “Smartforms” app from the Apple iTunes Store, Google Play store or from the Windows 10 Microsoft Store. The Mi-Apps icon will look like this:

Initial Configuration Step #2:

Once installed, open “Smartforms”. Click on the link “Configure Using a QR Code”.

Tap “Yes” to continue for confirmation message.

Tap “Allow” if the device requests access to the camera.

Use the device camera to scan this QR Code:

Optionally, tap “Change Your Server Settings Here” and update the settings:

- Hostname: **nda.micorp.io**
- Port: 443 & Use SSL
- URL Prefix: MFS
- Customer Name: **NDA**

Tap < **Back** to return to the Welcome login screen

Initial Configuration Step #3:

Once the QR Code is taken by Mi-Apps, the “Welcome” Sign-In screen will appear with the “vet” user and password “pass” prefilled. tap “Sign In”.

Type **pass** here...

Instructions for Nebraska Department of Agriculture Veterinarian use of electronic Certificate of Veterinary Inspection
